

Clipsal In-Line T Socket

#438/32TR

by Schneider Electric

www.clipsal.com

DESCRIPTION

Transparent Clipsal 2 Pin In-line T socket.
2 Pin parallel rated at 15A at 12 Volt. Max of 32V applications.

FEATURES

- Sustainable Green Premium Product
- Mercury free and is REACH regulated (Free of substances of very high concern above the threshold)
- Up to 32 Volt DC applications
- Rated up to 15A at 12 Volt
- RoHS Compliant

TECHNICAL SPECIFICATIONS

Physical Specifications

Voltage Range	• 32 Volt Max	Colour	• Transparent
Current Draw	• 15A @ 12 Volt	Local Signaling	• Without Light Indicator
Material	• PVC (Polyvinyl Chloride)	Socket Shape	• T Shaped (Parallel Socket)

Sustainability Specifications

Environmental Disclosure	• EVNPEP1605009	Other Approvals	• AS/NZS 3112 • AS 3100 • AS 3109 • AS/NZS 3122:approval number S/1
China RoHS Regulation	• Compliant	Sustainable Offer Status	• Green Premium Product
EU RoHS Regulation	• Compliant	REACH Regulation	• Free of substances of very high concern above the threshold
RoHS Exemption Information	• Yes		
Mercury Free	• Yes
