

Tesa Cloth Harness Tape
#51036-19

www.tesa.com

DESCRIPTION

Black Tesa 51036 is a PET cloth wire harness tape with an advanced acrylic adhesive (Triple A®). Features high temperature resistance and high abrasion resistance. 19mm wide x 25m long.

FEATURES

- High temperature resistance, up to 150°C / 3000 hours
- High abrasion resistance
- Triple A adhesive, self extinguishing
- Designed for protection to the engine compartment

TECHNICAL SPECIFICATIONS

Backing Material	• PET cloth	Abrasion Resistance (10mm Mandrel)	• Class D (acc. to LV312)
Total Thickness	• 260 micrometre	Abrasion Resistance (5mm Mandrel)	• Class D (acc. to LV312)
Type of Adhesive	• Advanced acrylic	Flame Resistance as Composite	• Class B (acc. to LV312)
Adhesion to Steel	• 5 N/cm	Unwind Force (Roll Width > 9mm)	• 11 N/roll (30 m/min)
Elongation at Break	• 40%	Noise Damping	• Class A (acc. to LV312)
Tensile Strength	• 275 n/cm	Tape Colour	• Black
Min. Temperature Resistance	• -40°C	Tape Dimension	• 19mm wide x 25m long
Temperature Resistance	• 150°C @ 3000 hours
