Automotive Single Core  
Gas Cable - Double Insulated  
Australian Made

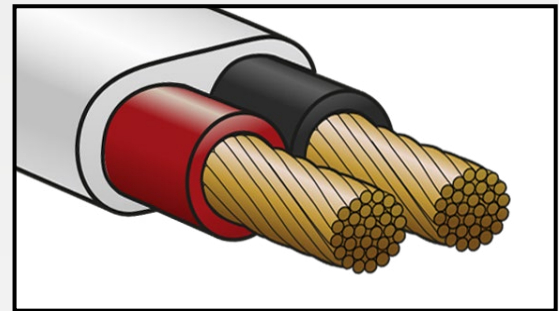

www.qvee.com.au

**DESCRIPTION**

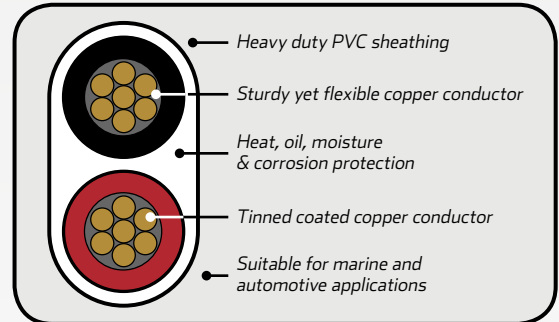

Australian manufactured, high density marine grade twin sheath cable with a tin coated copper conductor and the highest quality insulation.

Additional corrosive protection againsts heat and moisture. Perfect for automotive and marine environments.

Conforms to Australian Standard. RoHS Compliant.

<b>Conductor</b>	• Tinned Coated Copper Conductor to AS1125
<b>Insulation</b>	• V90 to AS3191
<b>Voltage</b>	• AC 50V / DC 120V to AS/NZS 3000:2000
<b>Number of Cores</b>	• 2 Cores
<b>Applications</b>	• Automotive and Marine

**TECHNICAL SPECIFICATIONS**

Part No.	Roll Length	Automotive Size	mm <sup>2</sup>	Stranding	Amperage	Colour
330TSTC	30m	3mm	1.13mm <sup>2</sup>	16/0.30	10 Amps	White Sheath / Red & Black Inner
3100TSTC	100m
