

**NARVA®** Rechargeable L.E.D. Audio Light  
#71404

www.narva.com.au

**DESCRIPTION**

The 71404 features a Bluetooth® speaker with high quality sound clarity and impressive maximum volumes. The speaker pairs easily with any smart phone or tablet to allow audio anywhere, anytime.

The Audio Light has a Bluetooth® range of 20 metres and will also remember the last device it was paired with, making it even easier for repeat use. The speaker lasts for over 15 hours at medium volume. With an impact resistant quality aluminium housing, the 71404 is water resistant with IP67.

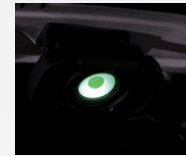

2 YEARS WARRANTY
