

NARVA® Rechargeable
THE VISION TO GO FURTHER L.E.D. Head Lamps
#71426

www.narva.com.au

2 YEARS WARRANTY

DESCRIPTION

Featuring a unique detachable lamp with integrated magnet for increased user applications, the 71426 is incredibly versatile. The head lamp allows selection between a powerful spot beam with 60 metre beam pattern or 120 degree flood light.

There is also an option to combine the spot or flood beam with an arc shaped flood beam for even more powerful lighting.

FEATURES

- 2 x COB LED's provide 250 lumens 120° angle flood beam
- 1 x High power LED spotlight providing 150 lumens and 60m beam distance
- Arc shaped COB LED provide 120 lumen flood beam
- Motion activated sensor allows the user to turn the head lamp on and off without touching it.
- User friendly brightness memory
- Magnetised detachable lamp allows the lamp to be used separately
- Glow in the dark locator allows users to locate the units in the dark
- Lithium battery with no memory effect
