

NARVA® Rechargeable
THE VISION TO GO FURTHER LED Slim Utility Light
#71446

www.narva.com.au

2 YEAR WARRANTY

DESCRIPTION

Measuring just 45mm x 119mm this compact utility light combines a powerful 350 lumen inspection lamp with 100 lumen torch. The multi-functional mounting system combines a hook, stand and magnet for complete versatility.

The brightness memory removes the need to scroll through all the patterns to turn the lamp off or on and the glow in the dark locator allows the lamp to be visible even in the dark.

FEATURES

- High efficiency COB LED provides 350 lumens
- Compact and slim design, smaller than a smart phone
- Stepless brightness adjustment provides 2–20 hours run time
- Multi-function rotating clip includes hook stand and magnet
- 100 lumen torch function, 3 hours use before charging required
- Charge via USB through Type C fast charge cable
- 2–3 hour charge time
- User friendly brightness memory
- Glow in the dark locator
- IP54 dust and water resistant
- Lithium battery with no memory effect

Glow in the dark indicator
