

NARVA® Ultima 215 MK2
Black Driving Light Kit
#71742BK

www.narva.com.au

DESCRIPTION

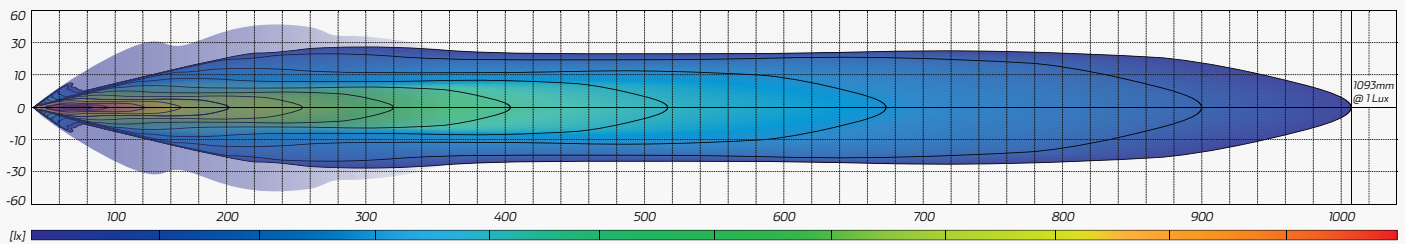

The Ultima 215 MK2 features a new brighter and bolder beam of driving lights with up to 30% more light volume & a 20% more distance than it's predecessor. Comes in a stunning black colour with 3 different bold colour trims and a dark tinted stealth lens. Equipped with IP66 & IP67 rating, this light is ready to endure the harshest conditions Australia offers. ECE R10 approved.

BEAM COVERAGE

Beam coverage with 2 lamps
