

QVEE Cat Style
Jump Start Plug
AUTOMOTIVE | MINING | MARINE #CATPLUG

www.qvee.com.au

DESCRIPTION

CAT style jump start receptacle. Made from heavy duty ABS plastic and silver plated terminals. High current capacity and stepped terminal design to eliminate cross polarity. Offers a quick and easy connection. Ideal for use on applications where battery terminal access is limited.

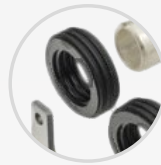

FEATURES

Specifically designed to suit QVEE's CAT style accessories

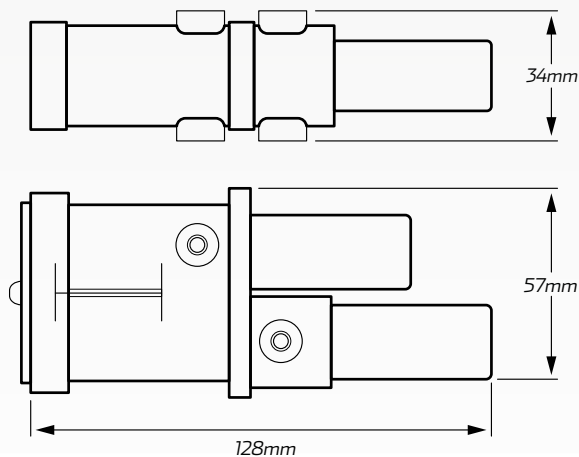

- High current capacity
- Heavy duty construction with quick & easy connection
- Ideal for use on applications where access to battery terminals is restricted or prohibited
- Stepped design eliminates cross polarity connections
- Silver-plated copper contact, provide low resistance for superior conductivity

Rubber seals held in place by metal retainer

TECHNICAL SPECIFICATIONS
