

Cat Style Circuit Breakers

#CDM

www.mechprod.com

DESCRIPTION

Heavy duty manual reset circuit breakers.

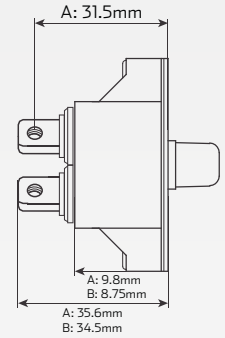

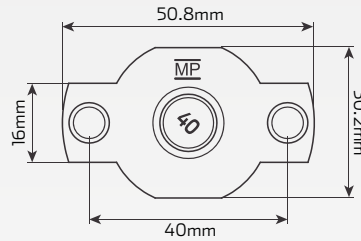

Designed to protect wiring in the harshest environmental conditions. Weatherproof and sealed against moisture and dust. Fast response times to interrupt overloads and short circuits. Perfect for use in mining and agricultural equipment.

TECHNICAL SPECIFICATIONS

Suitable Voltage	• Suitable for 12V / 24V
I.R	• 3kA @ 120V AC / 32V DC
Reset Mechanism	• Type 3, Manual Reset
Vibration Rating	• 10g / MIL-STD-202
Features	• Ignition Protected UL-1500
Housing	• UL-94 V-0 Black Thermoplastic
Button	• Red with 45° White Amp Rating
Approvals	• ABYC E-11, SAE J553, J1428, UL-1500, UL-1077, MIL-STD-202

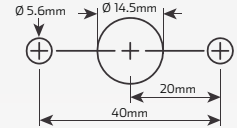

DIMENSIONS

TERMINAL SPECS

- 5A - 40A: #8 - 32 screw terminals (A)
- 50A - 60A: #10 - 32 stud terminals (B)

* #10 Eyelet hole with attached self-locking nut
Button: Red with 45° white amperage marking

Recommended Mounting

PART NUMBERS

Part No.	Amperage	Reset	Mount	Description
CDM5	• 5 Amps	• Manual	• Panel Mount	• 5 Amp heavy duty manual reset CAT style circuit breaker, panel mount
CDM10	• 10 Amps	• Manual	• Panel Mount	• 10 Amp heavy duty manual reset CAT style circuit breaker, panel mount
CDM15	• 15 Amps	• Manual	• Panel Mount	• 15 Amp heavy duty manual reset CAT style circuit breaker, panel mount
CDM20	• 20 Amps	• Manual	• Panel Mount	• 20 Amp heavy duty manual reset CAT style circuit breaker, panel mount
CDM30	• 30 Amps	• Manual	• Panel Mount	• 30 Amp heavy duty manual reset CAT style circuit breaker, panel mount
CDM40	• 40 Amps	• Manual	• Panel Mount	• 40 Amp heavy duty manual reset CAT style circuit breaker, panel mount
CDM50	• 50 Amps	• Manual	• Panel Mount	• 50 Amp heavy duty manual reset CAT style circuit breaker, panel mount
CDM60	• 60 Amps	• Manual	• Panel Mount	• 60 Amp heavy duty manual reset CAT style circuit breaker, panel mount
