

Stainless Steel Tang Cable Ties

#MTCT

www.sapiselco.com

DESCRIPTION

Sapiselco stainless steel tang cable ties are subject to strict international certification standards and have obtained attestations from the following industry control institutes: UL, ImQ, GL, BV, Rina, Lloyds, DNV, Military (USA), CE, RoHS.

The stainless steel tang cable ties special design guarantees maximum resistance and safety even in the most extreme applications

TECHNICAL SPECIFICATIONS

- The metal tooth sets tie strap in the desired position, to suit a continuous range of fixing diameters
- The smooth tie strap remains flexible and resistant at low temperatures and in humidity free conditions

Body Material	• Nylon
Tooth Material	• Stainless Steel
Material Colour	• Black
Flammability	• UL 94 V2

Properties	Method	Cable Tie Width (mm)			
		2.5	3.5	4.5	7.6
Opening Load	MAF/06 (daN)	13±18	22±28	35±42	54±80
Fragility	MAF/02-b (°C)	-20			
Min. App Temperature	MAF/03 (°C)	-40	-40	-25	-25
Res.Time to Applied Flame	MAF/08 (sec.)	5	5	10	20
Resistance to Applied Flame	MAF/05 (UL94)	V2			

PART NUMBERS

Part Number.	Head Type	Colour	Max Bundle Ø	Dimensions	Descriptions
MTCT100MB	Stainless steel tang	Black	24mm	100mm x 2.5mm	Black cable ties with stainless steel tang. 100mm x 2.5mm. Comes in packs of 100.
MTCT140IB	Stainless steel tang	Black	36mm	140mm x 3.5mm	Black cable ties with stainless steel tang. 140mm x 3.5mm. Comes in packs of 100.
MTCT200SB	Stainless steel tang	Black	51mm	180mm x 4.5mm	Black cable ties with stainless steel tang. 180mm x 4.5mm. Comes in packs of 100.
MTCT280SB	Stainless steel tang	Black	76mm	280mm x 4.5mm	Black cable ties with stainless steel tang. 280mm x 4.5mm. Comes in packs of 100.
MTCT360SB	Stainless steel tang	Black	101mm	360mm x 4.5mm	Black cable ties with stainless steel tang. 360mm x 4.5mm. Comes in packs of 100.
MTCT360HDB	Stainless steel tang	Black	101mm	360mm x 7.6mm	Black cable ties with stainless steel tang. 360mm x 7.6mm. Comes in packs of 100.
