90° Battery Lug Covers

#QVBLC60R90 / QVBLC60B90

**DESCRIPTION**

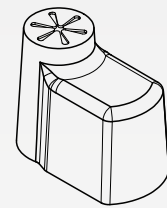

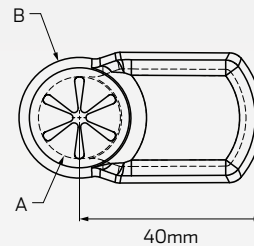

QVEE's 90° battery lug covers are designed to optimally protect right angle terminals in tight or confined spaces and minimize the chance of shocks and short circuits.

Flexible cable entry helps inhibit dust from entering the cover.

Available in both red and black for colour identification. Suitable for up to 60mm<sup>2</sup> cable size / 18mm cable O.D.
