## 10W High Powered LED Fog Replacement

#QVFLARBS

www.qvee.com.au

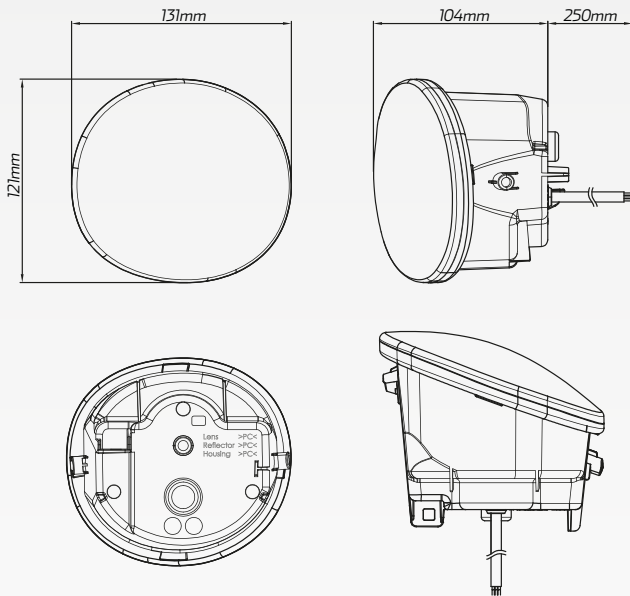

### DESCRIPTION

The QVFLARBS has been specifically designed as an LED replacement for the standard Fog Light in the ARB Summit Bullbar.

These lamps provide a brilliant additional Driving Light. Combined with QVEE's QVBBAWS LED Indicator / Park Lamp we provide the ultimate Bullbar Lighting upgrade solution.

### DIMENSIONS

\*Specifically designed to suit ARB Summit Bullbars.
