Heavy Duty Amber Slimline
LED Emergency Beacon
#QVRB250M

www.qvee.com.au

DESCRIPTION

The CLASS 1 SAE rated QVRB250M has a very slim low profile design. Like most light vehicles, height restrictions can be an issue when mounting emergency lighting.

The QVRB250M provides a solution to this problem without reducing lighting performance. Ideal for Mining, Transport, Shire & Traffic Management applications.

A great low profile solution. Comes with magnetic mount and cigarette lighter plug.
