Eco-Friendly
Cleaning Rags

#RAG10KG / RAG15KG

www.qvee.com.au

DESCRIPTION

QVEE's assorted cleaning rags offer an environmentally responsible alternative for cleaning oil, chemical, fluids and general spills.

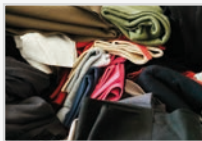

Soft and durable, cotton's natural texture is safe to use on sensitive surfaces, making them suitable for a wide range of task, including wiping and polishing without compromising surface integrity. High absorbency makes them ideal for automotive, industrial, and manufacturing workshops.

Available in bulk packs of 10kg and 15kg.
